Europass certificate supplement (*)

1. Title of the certificate (1)

Aktivitørfaget

(1) In the original language

2. Translated title of the certificate (1)

Activity Therapy

(1) If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled activity therapist has shown competence in managing, planning, organising and carrying out social, physical and cultural activities for users of different ages and functional levels. The activity therapist is able to communicate with users and affected family members and friends in order to map out the need to nurture and develop the users' skills. He or she is able to set goals for therapy work based on the users' functional abilities, needs and interests. This competence includes organising activities that can provide users with a sense of mastery, meaning and quality of life. He or she is able to document and evaluate the effects of therapeutic measures that are directed at users. The holder of this document is able to instruct users in how different materials, tools and techniques can be used in activity therapy endeavours. Materials management and the use of ICT are included in the activity therapist's work. The activity therapist is able to perform first-aid. He or she is able to carry out work in accordance with current rules for Environment, Health and Safety.

4. Range of occupations accessible to the holder of the certificate (1)

Trade certificate as a skilled activity therapist

(1) If applicable
